Index to Volume 67

This index is divided into an AUTHOR INDEX and a SUBJECT INDEX. Items indexed from the advertising pages are identified by monthly page numbers followed by the month in parentheses. Monthly page numbers are continuous through each issue; they appear in the text in lightface. Items indexed from the reader sections are identified by volume page numbers which are continued from month to month; they appear in the text in boldface. Inclusive pagination for reader pages by month is as follows:

Pages	Month	Year
1- 128	September	1967
129- 246	October	1967
247- 364	November	1967
365- 492	December	1967
493- 626	January	1968
627- 730	February	1968
731- 848	March	1968
849- 994	April	1968
995-1116	May	1968
1117-1228	June	1968
1229-1350	July	1968
1351-1492	August	1968

Included in the AUTHOR INDEX are entries arranged in alphabetical order for authors of original articles, reprinted articles, articles from the Educational Supplement, and research papers and abstracts from Current research: Abstracts and papers from the 1968 Research Conference, published in the May 1968 issue. Also included are listings for authors of signed editorials, book reviews, and organizational material.

Authors of articles abstracted in the Current Literature section are listed in the Subject Index following all other entries under the letter "A."

Authors of reviewed books are listed in the Subject Index following all other entries under the letter "B."

The SUBJECT INDEX includes entries for all original and reprinted articles, editorials, research papers and abstracts, and educational and organizational matter.

Editorial titles are listed alphabetically by title under the heading EDITORIALS. PRODUCT NEWS items are listed alphabetically under that heading. Under the heading RESEARCH, OSTEOPATHIC are entries, alphabetically by author, for papers and abstracts published in the section, Current research: Papers and abstracts from the 1968 Research Conference, in the May 1968 issue.

Entries for articles abstracted in the Current Literature section follow all other entries under the letter "A," and those for books reviewed follow all other entries under the letter "B."

Author index

Included in the author index are entries arranged in alphabetical order for authors of original articles identified by an asterik (*), reprinted articles identified by the letter "R," articles from the Educational Supplement identified by the letters "OE," and research articles and abstracts identified by "Res." Also included are listings for authors of signed editorials (identified by the letter "E"), book reviews, and organizational material.
